

The 100 Club is a group of people, members and non-members, who raise funds for our charity by running a private lottery. All members of the 100 Club are allocated a personal number which go into a monthly draw. By spending just £24 per year, only £2 a month, you stand a chance of winning a prize each month. The value of each prize may vary according to how many people take part.

If we have 100 members, the prize money is £100 per month in total. £50 for first prize, £30 for second prize and £20 for third prize, which accounts for 50% of the 100 Club fund. The remainder 50% goes towards the upkeep of Pride of Mann III.

At present with 50 members the prize money is £50 in total. £30 for first prize, £20 for second prize and £10 for third prize.

If you like to support your Charity and are up for a chance to win, download an application form from this website that can be found under 'More downloads' or contact Margaret Brierley via
